

FROM: Michele Aspinwall
TO: Kathy Rock
SUBJECT: Your Help Is Needed Now

This is an open letter to Kathy Rock: Kathy, you and I at one time were friends and I know you have a heart, feelings, and emotions. I also know that you have changed your life significantly and have gotten married and are doing very well. Now comes the hard part.

You and I both know Connie told you everything that happened with Don Miller. Connie always told you everything going on in her life ... the good, the bad, and the ugly. Don has been sitting behind bars for many years now. He has missed out on seeing his son grow, seeing his parents age and suffer at the loss of having him in their lives. It's time Kathy for you to come clean. You owe nothing to Connie. And you also have to think about yourself.

When this all does break wide open do you really think Connie is not going to throw you under the bus somehow? Do you really think she won't say you helped her, that you helped her concoct this story, that you gave her the ideas? You know as well as I do that that is the way Connie works, if she's going down she's going to take as many people with her as she can. It's Christmas time Kathy and soon it will be a new year ... help Don be able to come home where he belongs.

YOU KNOW WHAT CONNIE DID IS WRONG

YOU KNOW IT'S ALL LIES

PLEASE FIND IT IN YOUR HEART TO HELP THIS MAN

REGAIN HIS FREEDOM!!!!
