Re: Demand for Investigation

Sheriff Bruneau,

I am writing to ask that you begin doing the job for which the taxpayers of this state pay your wages. As admitted by your department at my trial, the Iron County Sheriff's Department failed to conduct any investigation in this case prior to my trial, and this despite the fact that you were advised that I was being falsely accused and gave you many facts and leads to follow up on. Though it is your duty to investigate crimes and investigate my complaints that crimes were and continue to be committed against me, you failed then and refuse now to investigate crime, contrary to your sworn oath and duty.

Moreover, I again renew my demand that you explain your statement to me after an appeal hearing, when you said to me, "Miller, if you only knew what was going on here, I would have to let you go right now." I asked you to please tell me what you were talking about, but you said, "I can't, I just can't." Deputy Wicklund told my brother Dennis the same thing during my trial, but refused to explain further. Your failure to disclose is obstruction of justice.

Please explain the aforementioned statement, why you refused to investigate this case before and since my trial, and why you did repeatedly refuse to receive my requests for records in this case and in fact destroyed certain records I requested. Thank you.

Sincerely,

Don Miller
