RE: June 17th, 2006

Judge Madden,

Perhaps you thought I gave up the battle against my wrongful convictions obtained by the use of false swearing, perjury, fraud, and government misconduct? *Au contraire*. I only suspended my actions temporarily in order to allow the members of the community and investigators time to gather additional evidence against yourself, DA Lipske, and Sheriff Bruneau. An investigation has been successful and people in the community continue to come forward with relevant information and evidence. Enough evidence has now been accumulated to put those involved behind bars.

I will now inform you that, on June 17th, I will resume effective and aggressive actions intended to secure long overdue and deserved relief from wrongful convictions obtained by fraud, perjury, misconduct, and crime on the part of yourself, Iron County Sheriff, DA Lipske, and Connie Vargovich. Due to egregious nature of the evidence acquired, I am anxious to proceed.

Per attorney Ray Dall'Osto's request, I have not yet updated www.freemyfather.com with recently acquired evidence, but am presently unaware of any valid reason why I should not now resume exposing fraud and corruption responsible for my wrongful convictions. As you know, website www.freemyfather.com is both well known and well received in the local community, and already hosted several *thousand* visitors, most from the local Hurley-Ironwood area. Unrefuted and well established facts presented there has caused public outrage at the clear and obvious perversion of justice in my case. I can't imagine what the community's response will be when the website is expanded and updated with newly acquired evidence against yourself and associates. Due to your failure to provide appropriate, overdue, and deserved justice, and based upon the damning evidence I now have which proves your involvement in crime, I conclude that any further delay on my part is neither viable or warranted. It is time for me to get the ball rolling.

If I am not *at home* by June 17th, I will publish all acquired evidence against you, DA Lipske, and Sheriff Bruneau. Evidence is comprised of statements by multiple witnesses and police officers; taped interviews; affidavits; photos; certified documents; and other material proving unethical and criminal acts committed by yourself and others. I am able to prove your involvement in prostitution; that you harbored felon Timothy Mieloszyk from prosecution in early 1997; denied my access to the court in 1997 and 2005 (federal crime); engaged in ex-parte communications in my case and in other cases; tampered with witnesses; destroyed evidence; concealed exculpatory evidence; concealed public records; altered court documents; lied to news media; ordered circuit court clerk not to file lawful documents; destroyed documents delivered to the clerk for filing; committed multiple acts of felony misconduct in public office; acted as a party to crime; engaged in a conspiracy to deny civil rights; violate your judicial oath; refuse to perform mandatory duties required by U.S. and state constitutions, state and federal statute, Supreme Court Rules, and other authorities; that you obtained and solicited 'sexual favors' from female litigants in cases before you in exchange for 'judicial favors'; refused to *sua sponte* recuse yourself or disclose your friendship, 'partying', and sexual activities with my false accuser Connie Vargovich prior to my arrest and trial; have provided illegal 'judicial favors' to Connie Vargovich; act to harbor felon Connie Vargovich from prosecution; and *more*.

I hope you will not foolishly blunder and implicate yourself further by making the huge mistake of attempting to bribe, sway, or intimidate police officers or any other witnesses from testifying. They will immediately report any contact you or anyone acting on your behalf has with them concerning this matter, and this will further implicate you and add to voluminous evidence already obtained. I further hope that you recognize the futility of even considering denying any of the above allegations, because if you do, I will be right there with clear and unrefutable proof to the contrary to ultimately demonstrate, on top of everything else, that you are a liar. Hopefully, you will come to the conclusion that you have inflicted enough damage on innocent people, your reputation, and the judiciary.

By a preponderance of the evidence, it is well established that you are fully aware that I was, and remain, falsely accused and sit in prison today because of convictions obtained by the use of false swearing, perjury, fraud, and government misconduct. Unfortunately for us both, it appears you have become so corrupt and amoral that you have lost all sense of justice, and even of humanity itself. You appear to be an extremely cruel human being lacking any semblance of a conscience--the predominant characteristics of a psychopath.

I have enough evidence to send you off to prison. A crooked judge will not be accepted by prisoners. Feel free to scoff, doubt, or laugh all you like. I know your game is at an end. I have been a man about all of this, have given you many opportunities to correct this situation, and demonstrated that it never was my desire to cause you or anyone else problems, no matter how deserving. Unfortunately, you have mistaken magnanimity for weakness. At this point, though, any basis for continuing that magnanimity is obliterated, unwarranted, and will be set aside, not only to obtain the justice my family and I deserve, but also to protect all other persons and families in the community who may themselves be unfortunate enough to be subjected to your grotesque and perverse brand of 'justice'.

Yes, I've won the battle of proving my innocence, and even Connie Vargovich has now admitted to witnesses that I did *nothing* wrong. Sadly, my life and the suffering that I and my family endure means nothing to you; nor does law, your sworn oath, reputation of the judiciary, or your integrity as a man. All of this was and remains far less important to you than providing 'judicial favors' to Connie and getting into her pants. Please, don't bother feigning insult over this truth. Justice has been perverted, and the battle I now commence is one against the corruption and criminal acts committed against myself, family, and the community. I promise to win this battle...and I've never broken a promise in all my life.

Unless I am provided long overdue justice and at home with my family on or before June 17th, I am well prepared to effectively proceed. Moreover, I have prepared and am ready to file a new § 968.26 Wis.Stats. 'John Doe' Petition for a criminal inquiry hearing. This John Doe Petition will present facts, witnesses, and evidence acquired against yourself, Bruneau, Lipske, and others. I will request that A.G. Lautenschlager or Chief Judge Bain file it with a *reputable* judge appointed by them. Such a judge will have no mercy on you, sir...your actions and inaction are an embarrassment to men, outrageous, and irreparably damaged the public's perception of the integrity of the Wisconsin Judiciary. Your acts are repugnant to concepts of integrity, justice, humanity, and fundamental notions of justice.

The public has a strong interest in reviewing the evidence I have acquired and "anything which might touch on a official's fitness for office". *Garrison v. Louisiana*, 379 U.S. 64, 77, 85 S.Ct. 209, 217 (1964). I'll quote your own words that you have used to denigrate another Iron County official, where you have stated that her actions were "an affront to the integrity of the court", and that "Iron County deserves better". Sole purpose of your attack on that official was to deflect suspicion away from your involvement in unethical acts and crime. Given the complete lack of integrity you repeatedly demonstrate through abuse of the courts and your judicial position, your attack on another official was both outrageous and highly transparent subterfuge.

I enclose for your review a copy of the letter I plan to send to Dane County District Attorney Brian Blanchard if I am still in prison on June 17th. DA Blanchard despises corruption and has successfully prosecuted high level officials of this state for their unethical acts. My letter to him typifies the type of communications that I will also be sending to the Governor; Judicial Commission; Chief Justice Abrahamson; Attorney General; FBI; federal prosecutor; state police; Chief Judge Bain; every newspaper, tv, and radio station in the state; and every talk show host in the country. Moreover, if I am not at home by June 17th, www.freemyfather.com will be updated with all the facts and evidence, and there will be an exponential increase in advertising to invite the community and entire state to review the evidence against yourself, DA Lipske, and Sheriff Bruneau.

Two scenarios remain: either I'm home before June 17th, or on that day will aggressively resume exposing shocking facts of corruption and criminality to citizens of Iron County and surrounding communities; entire state; state and federal law enforcement and courts; news media; a multitude of internet bulletin boards and websites; each attorney and judge in this state and federal seventh circuit; every senator, congressman, assemblyman; Ethics Board; Judicial Commission, etc. The *truth* is going to spread like a wildfire.

If I am not at home with my friends and family by June 17th, the ball will roll and won't stop rolling until you and others are in prison for your crimes. If you so unwisely care to refute any of my claims, now is your time to do so. I will gladly publish your denials and welcome the opportunity of proving with voluminous evidence that any such denials are nothing more than easily exposed lies that constitute additional misconduct. However, as you should know, your failure to deny any above allegation is your own tacit **admission** that all above mentioned allegations are *true*. You know the rule: 'Unrefuted arguments are deemed admitted'. See *Charolais Breeding Ranches, Ltd. v. FPC Secs. Corp*, 90 Wis.2d 97, 109, 279 N.W.2d 493 (Ct.App.1979).

At this point, I hope you recognize that your illegal and unethical acts have caught up with you, just as prior Iron County Judge Alex Raineri's illegal acts caught up with him. That corrupt Iron County Judge also mistakenly believed he could commit crimes with impunity, and you have made the same, and worse, mistakes. I hope you do not now take any action that will only result in digging your own ditch even deeper than it already is, as any further criminal or unethical acts committed by you will be used against you. Please don't be angry with me; I've done nothing wrong. Be angry with yourself.

You should not have played Connie Vargovich's game, and should have learned a lesson from Judge Raineri's demise. It's time for you to mitigate the damage you caused. Do so by providing the overdue and just relief I am entitled to. If you are so thoroughly 'gone' and cannot act in an appropriate manner, then I am certain that your next move will be to retaliate one way or another. That would be a big mistake. Any retaliatory act instigated, perpetrated, solicited, acquiesced to, or condoned by you or any other person(s) or entity acting on your behalf will be documented and used against you.

If home by June 17th, I will piece my life back together and no longer be a thorn in your side. If not home by June 17th, then my associates, citizens, and myself will commence above effective actions and will that same day publish this letter. This is an outrageous case and your actions are outrageous. You bear full responsibility. Enough is enough.

Sincerely,

RIGHT TO EFFECTIVELY CRITICIZE CORRUPT JUDGES:

The U.S. Supreme Court in *N.Y. Times Co. v. Sullivan*, 84 S.Ct. 710, 376 U.S. 254 stated:

Debate on public issues should be uninhibited, robust, and wide-open, and may well include vehement, caustic and sometimes unpleasantly sharp attacks on government and public officials. Criticism of official conduct of government officials does not lose its constitutional protections for speech merely because it is effective criticism and hence diminishes official reputations.

The U.S. Supreme Court in *Whitney v. California*, 47 S.Ct. at 649, 274 U.S. at 377 stated:

"If there be time to expose through discussion the falsehood and fallacies, to avert the evil by the processes of education, the remedy to be applied is more speech."
