MESSAGE FROM DON MILLER ...

Hello Everybody ...

This is a very CRITICAL time for not only me, but for all of you who live in Iron County or have friends or family living there. Why? Because now, for the first time in over a decade, Iron County DA Martin J. Lipske is being OPPOSED by two other attorneys in the upcoming election for Iron County District Attorney. HOORAY!!

Those two attorneys are: JODI BEDNAR-CLEMENS (former Iron County DA, Court Commissioner, and Corporate Counsel), and SAM J. FILIPPO (the current Court Commissioner). It is absolutely imperative that you vote for one of these candidates in the upcoming Iron County election for office of Iron County District Attorney. We MUST get Martin Lipske out of office. He has neglected his sworn duties, acted contrary to duties, and is responsible for the gross perversion of justice in my case despite the fact that he KNOWS I am both falsely accused and wrongfully convicted. Yet he refuses to obtain any justice for me or my family. What kind of a person is that?

Because my false-accuser was socially-sexually involved with the judge, DA Lipske did not even conduct any investigation of the false accusations against me, and even though he has been provided a ton of evidence since my conviction, he still refuses to lift a finger to investigate any evidence, which evidence also includes an eyewitness and my false accuser's confession that I am not guilty of doing anything wrong. Mr. Lipske won't investigate because of the good 'ol boy ethics and way of doing business in Iron County. Judge Madden did this to me as a 'favor' to Connie, and DA Lipske is doing this to me as his 'favor' to Judge Madden. Besides all this, they have a lot of 'dirt' on one another so if one should do anything to implicate the other, then the other would then implicate him. It's all about being loyal to each other, not to the community, law, or ethics. It's the classic good 'ol boy mentality, favoritism, and favors that are the hallmark of corruption in public offices.

Because of what is happening to me, and because you, your family and loved ones are in danger of having something like this inflicted on you by Mr. Lipske, it is CRITICAL that we REMOVE MR. LIPSKE FROM OFFICE. Therefore it is critical that you get out there and VOTE against Mr. Lipske and vote for one of the other candidates, either Jodi or Sam, because our very lives depend on it. Elections are won here by very small margins of voters, which makes YOUR vote all the more critical. Therefore, for me, for our community, and for you and your loved ones' safety and security, it is CRITICAL that you VOTE against Martin Lipske, and get friends and family to do the same. Just LOOK at all the evidence against Martin Lipske published on these websites. It all PROVES that he KNOWS he put an innocent man in prison. He doesn't care about me, and he won't care about you or your loved ones either. **VOTE AGAINST LIPSKE!!**

This is our golden opportunity. Vote Mr. Lipske OUT of office.

Do it for me. Do it for you. Do it for your loved ones.

Thank you.
